WORK EXPERIENCE

Advisor I - Healthcare
Concentrix Corporation

July 2024 - March 2026

- Delivered personalized support to members on healthcare inquiries, insurance benefits, claims, and coverage options.
- Guided members through complex policy details, ensuring clarity on plan eligibility and available services.
- Managed high-volume inbound calls with a professional, empathetic approach, achieving high member satisfaction scores.
- Coordinated with internal teams to escalate and resolve complex cases efficiently.
- Consistently met or exceeded targets for call handling time, accuracy, and customer satisfaction.

Production Staff
Philkostat

July 2021 - May 2024

- Managed data entry and inventory records across multiple product categories using an Enterprise Resource Planning (ERP) system.
- Processed export documentation and registered shipping entries with high accuracy.
- Monitored and reconciled product lot numbers to ensure precise inventory tracking and disposition.
- Modified basic ERP configurations to streamline operational workflows and data management.
- Oversaw product packaging operations, verifying quality standards prior to shipment.

Machine Operator
Daiwa Seiko Philippines

Jan 2021 - June 2021

- Operated precision machinery and used measuring instruments (calipers, gauges) to verify product specifications.
- Maintained strict quality and safety standards while collaborating with the team to optimize workflow.

Production Operator
Panasonic Philippines

July 2020 - Dec 2020

- Assembled components on a production line, meeting quality standards and daily output targets.
- Trained new employees on assembly procedures and safety practices.
